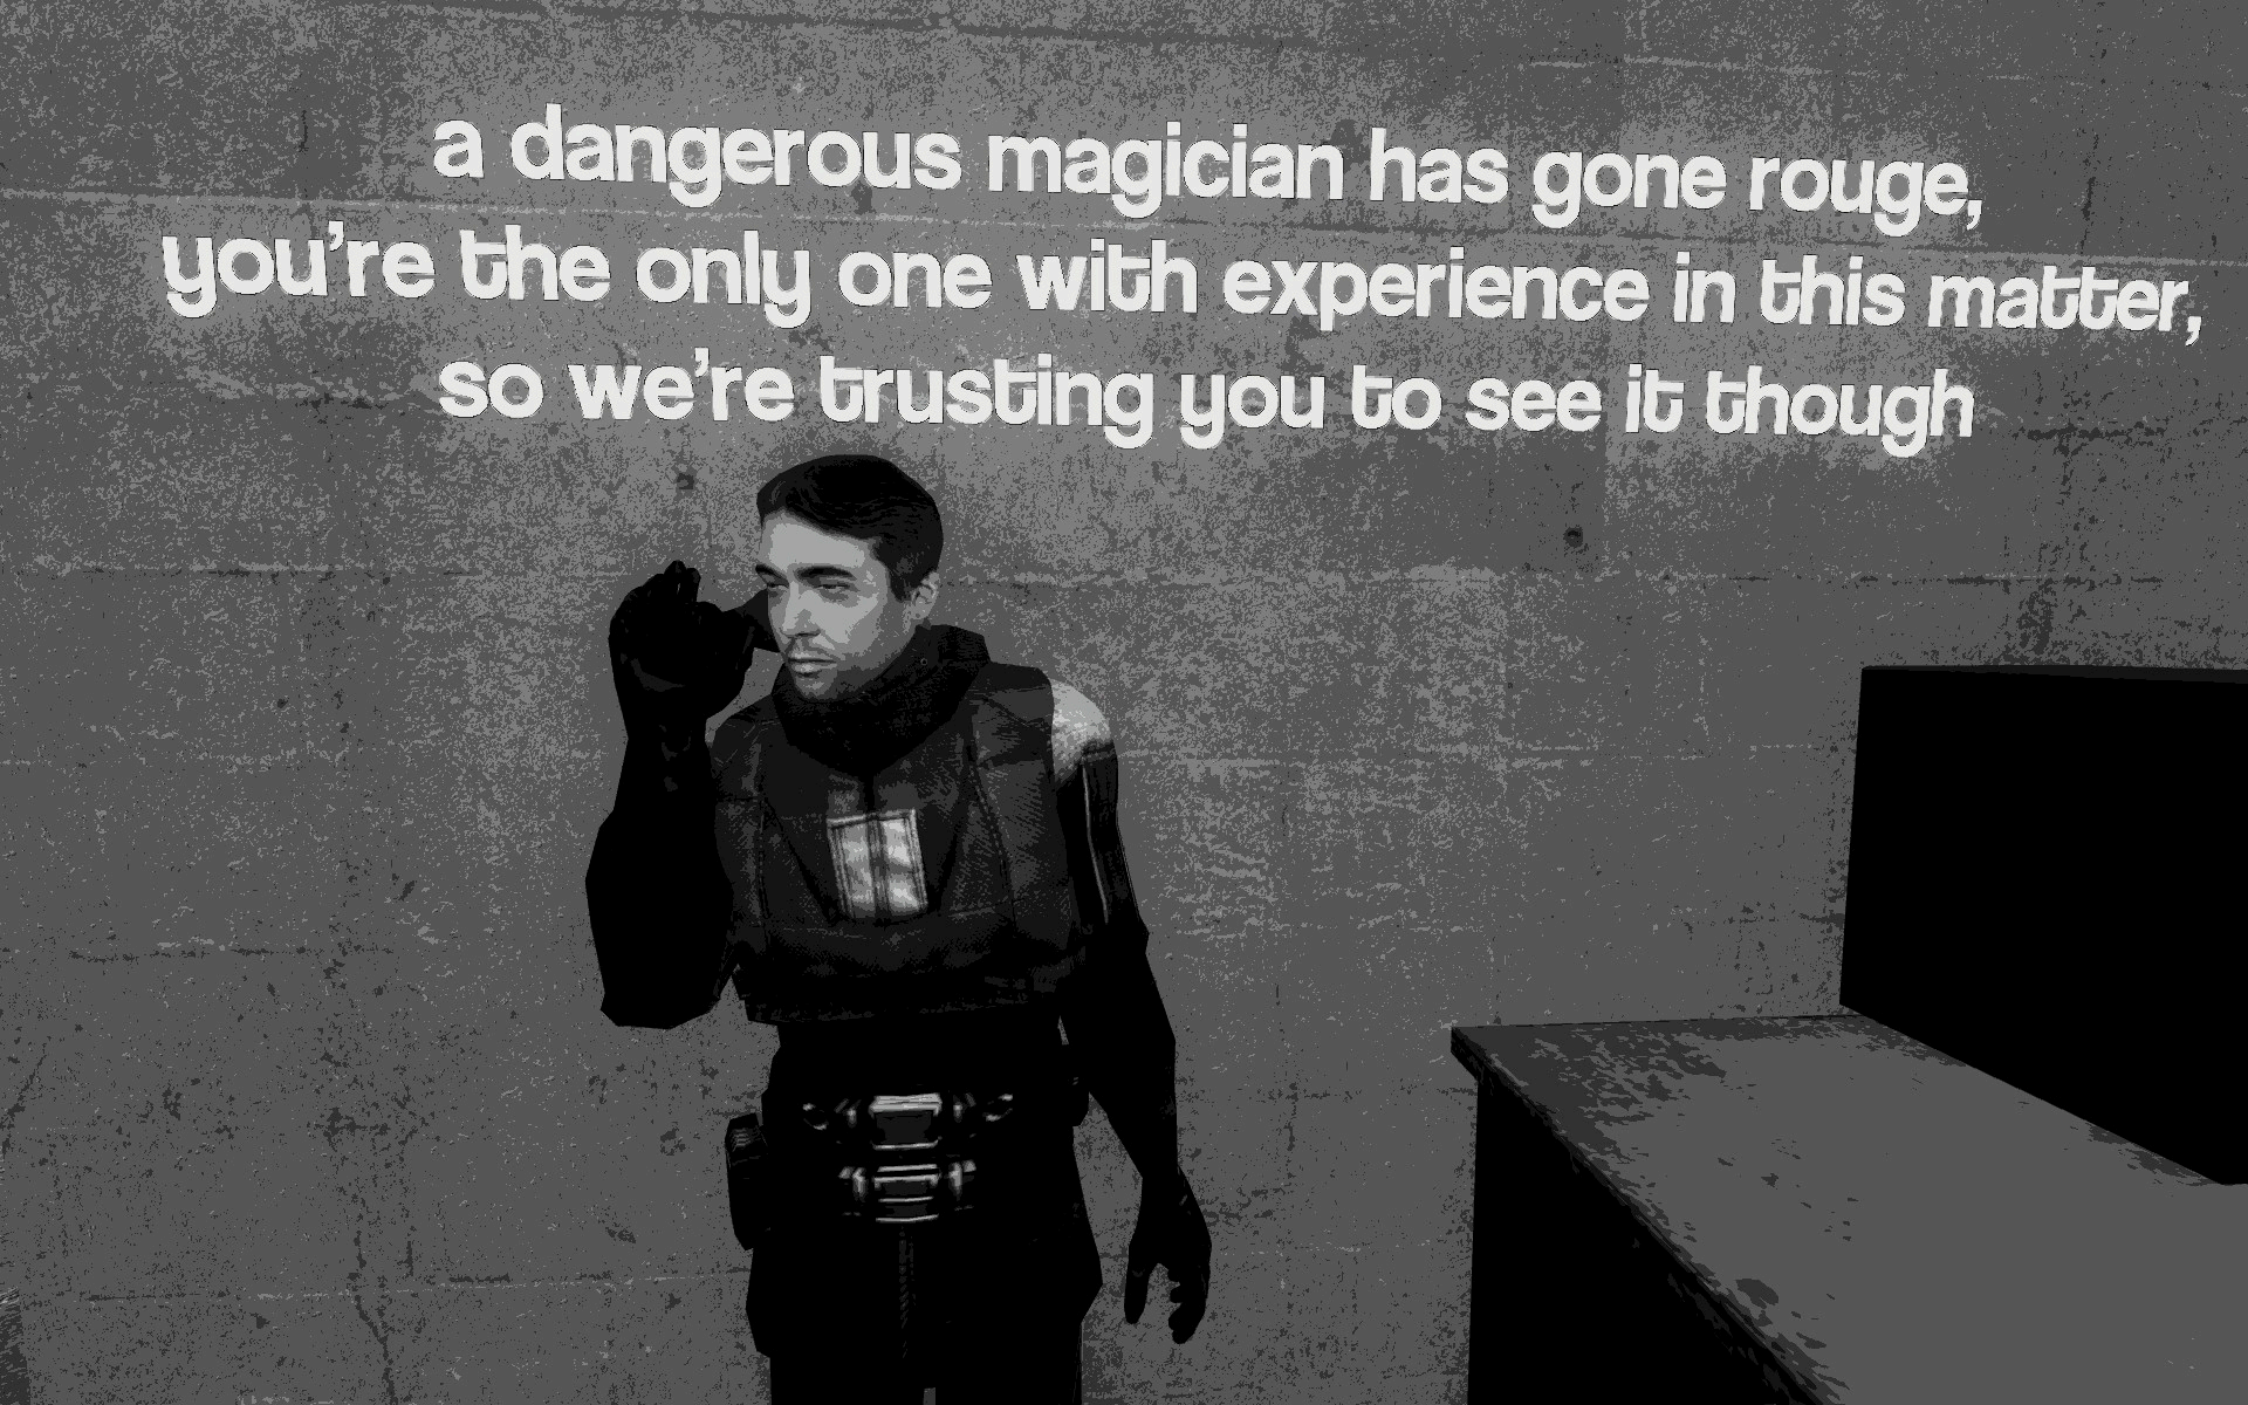
The Bondages Of Wizardry

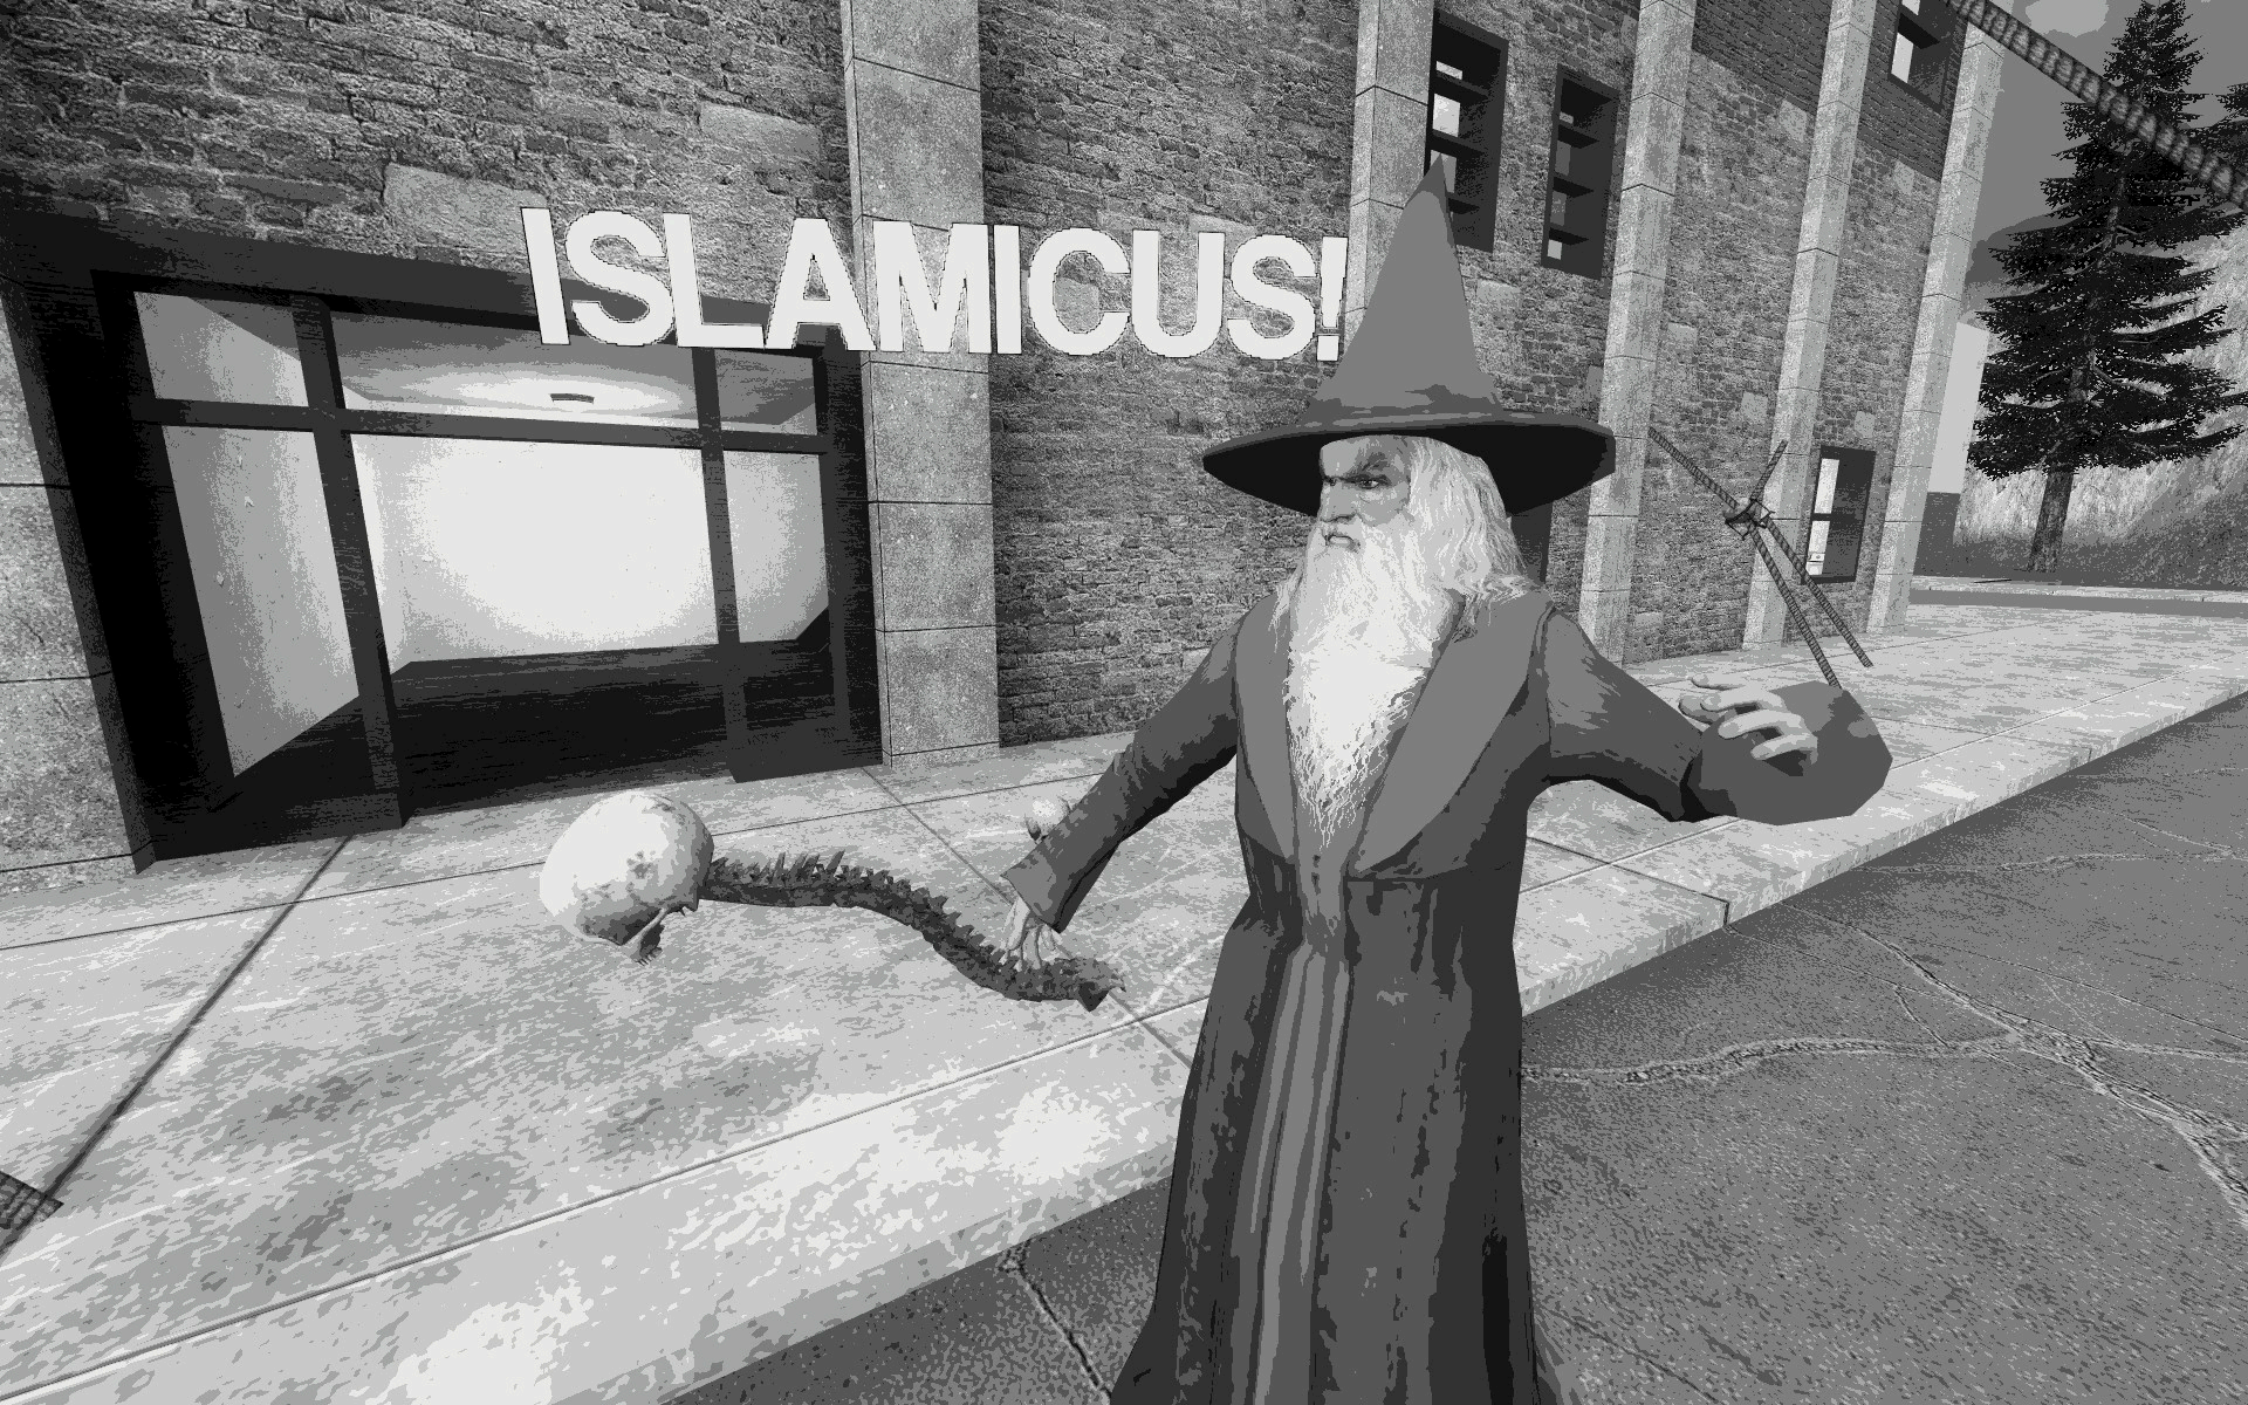
Countering A Spell



a dangerous magician has gone rouge,
you're the only one with experience in this matter,
so we're trusting you to see it though

fuck, i hate wizards

please! i don't wa-



ISLAMICUS!

hhmmm?

thats against the law, you know?

you quake with fervour.

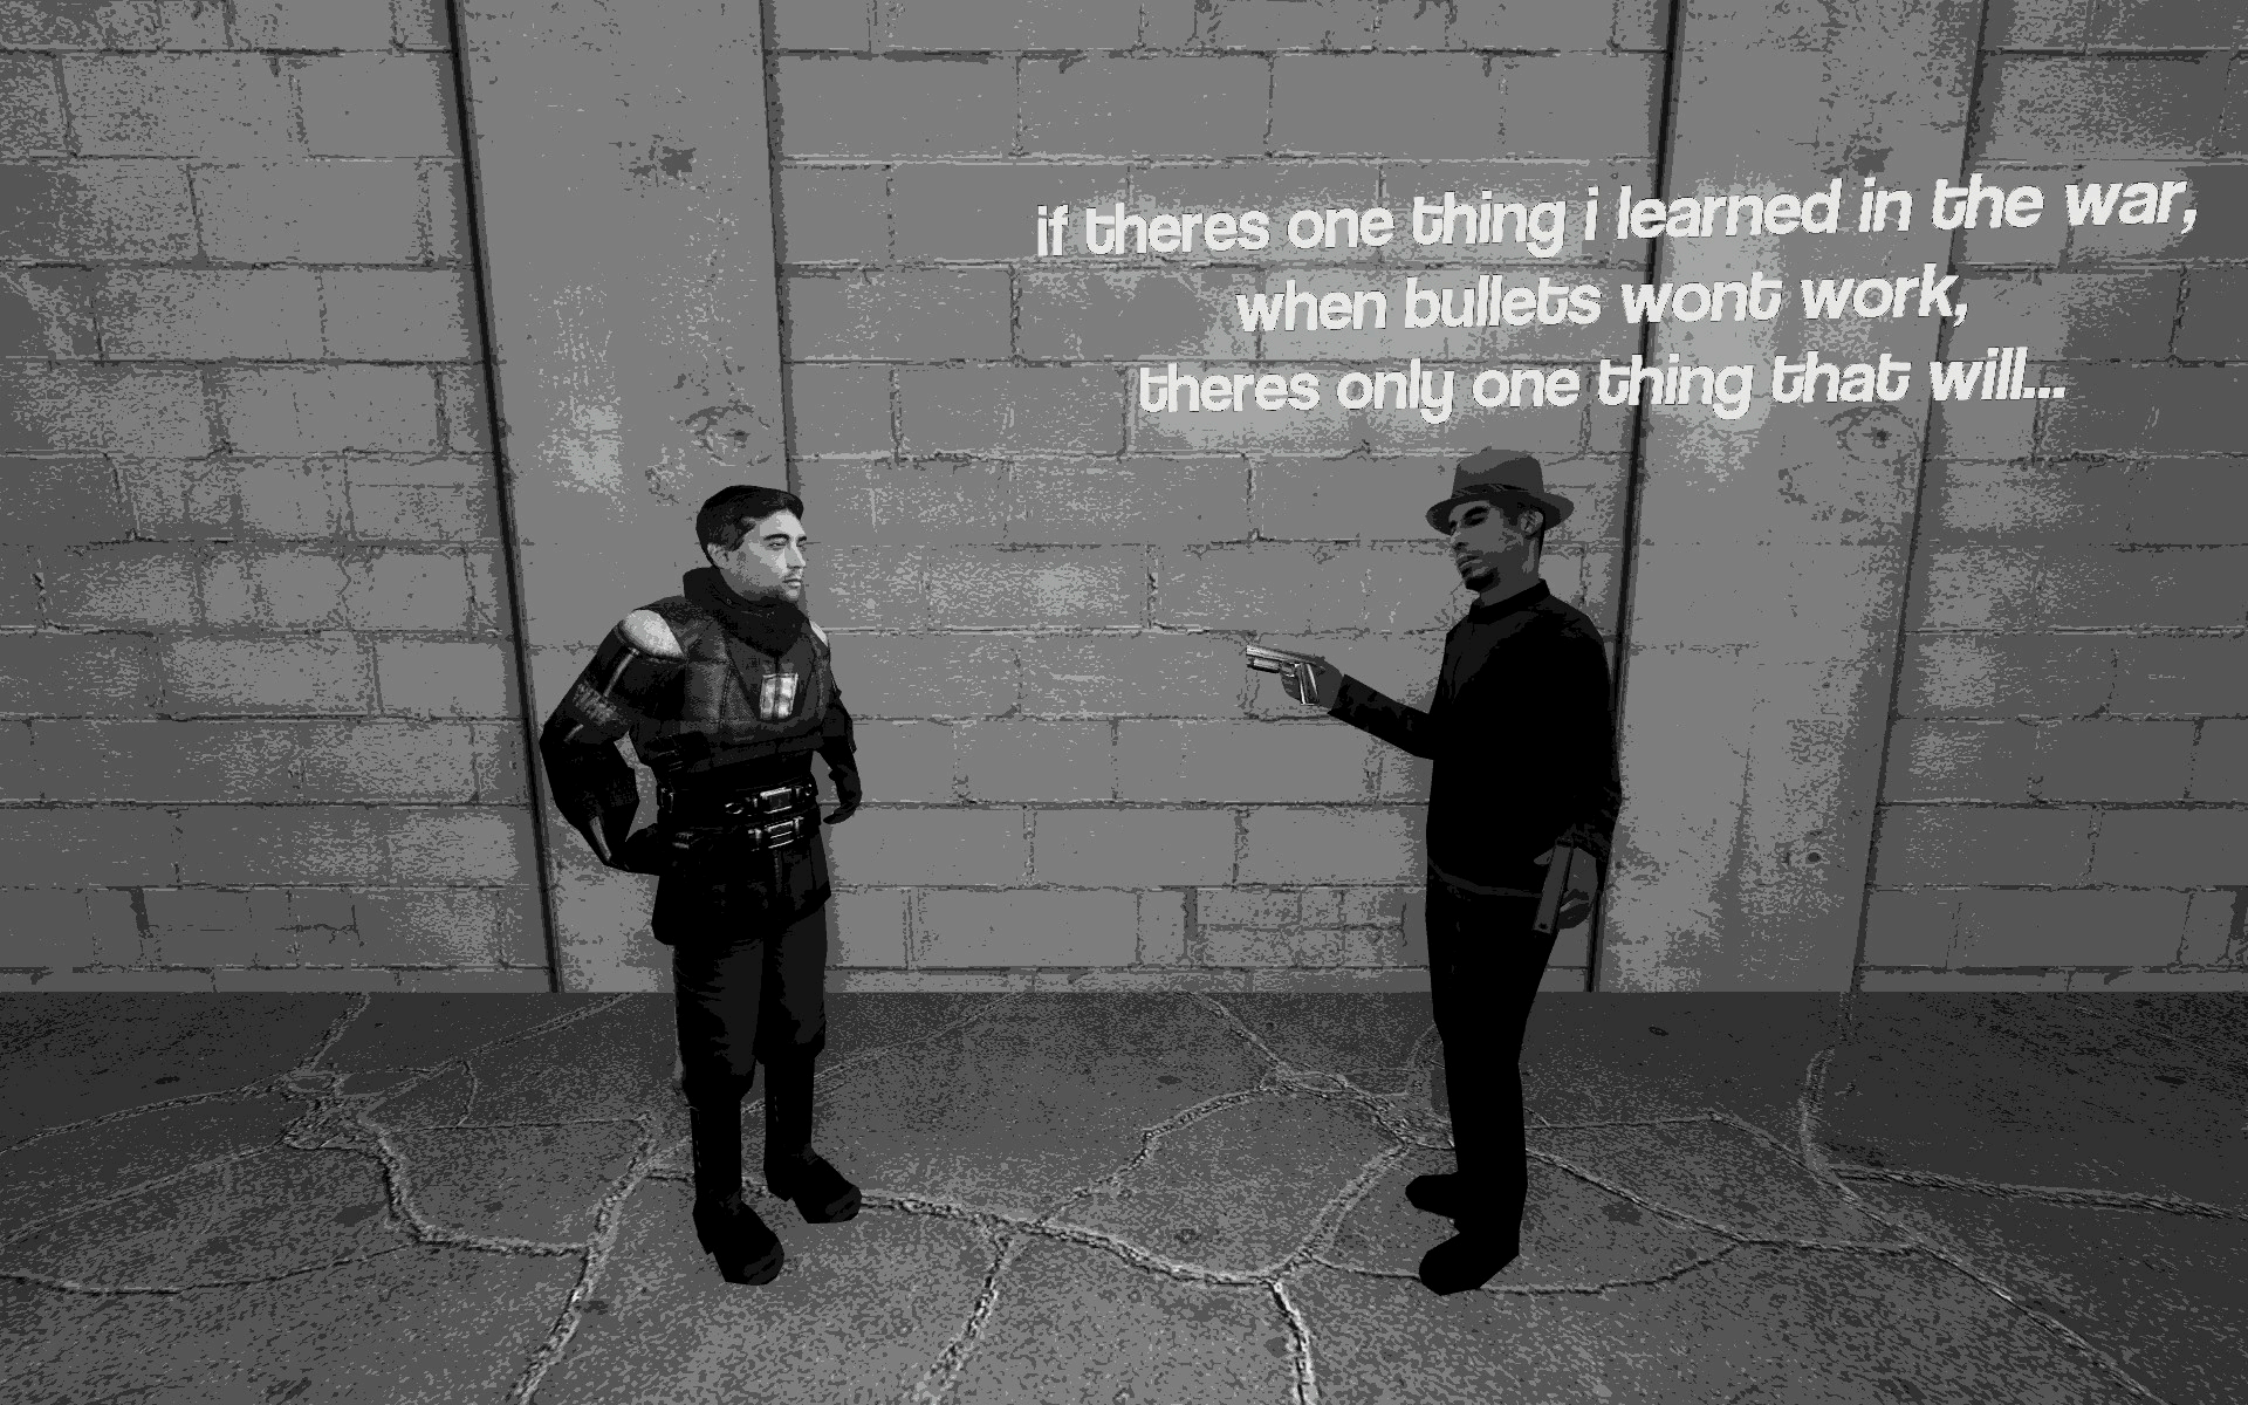
mere projecti-

oh...

so you just ran away?

so what would you have done then?

huh, yeah, good point.
but what are we actually suppose to do then?



if theres one thing i learned in the war,
when bullets wont work,
theres only one thing that will...

so this is how humans are made?

hey wiz-bard

back again i see?
well, I've prepared just the tric-

AAAHHHHHHHH

damn, that really brings me back

The End

???
